

Zaneta M. Thayer, Ph.D.

Department of Anthropology, Dartmouth College
Hinman Box 6047, Hanover, NH 03755
zaneta.thayer@dartmouth.edu

Academic Appointments

2016 – Date **Assistant Professor**, Anthropology, Dartmouth College
2014 – 2016 **Assistant Professor**, Anthropology, University of Colorado Denver

Education

2008 – 2013 **Ph.D. Biological Anthropology**, Northwestern University, *Presidential Fellow*
2004 – 2008 **A.B. Biology & A.B. Anthropology**, Dartmouth College, *cum laude*

Research Expertise

Human biology; Developmental plasticity; Health disparities; Intergenerational effects

Publications

* ** = Dartmouth undergraduate student co-author (4 publications)

* * = Graduate student advisee co-author (7 publications)

* = Postdoctoral Fellow mentee co-author (9 publications)

Research Grants, Awards and Fellowships

External

2020 **Michael A. Little Early Career Awardee**, Human Biology Association
University of Auckland School of Population Health Project Seeding Grant,
 co-PI, \$10,000

Research Grants, Awards and Fellowships (continued)

- 2019 Health Research Council, New Zealand, Collaborator, \$4,999,332
- 2018 Wenner Gren Hunt Fellowship PI, \$40,000
NSF Dissertation Improvement Grant, co-PI (advisor), \$19,903
- 2017 University of Auckland School of Population Health Project Seeding Grant, co-PI, \$10,000
- 2014-2016 National Institute of Health/National Institute for Minorities and Minority Health Disparities P20 Grant, Behavioral Research Fellow, \$32,018.
- 2013 E.E. Hunt Jr. Student prize, Best paper at Human Biology Association meetings
NSF Dissertation Improvement Grant, co-PI, \$15,357
- 2011 Wenner Gren Dissertation Fieldwork Grant, PI, \$20,000
Wenner Gren Dissertation Osmundsen Award, PI, \$5,000
NSF East Asia and Pacific Summer Institutes (EAPSI) Fellow, PI, \$5,561
- 2009-2012 NSF Graduate Research Fellow, \$90,000

Internal

- 2020 Dartmouth College Junior Faculty Fellowship
- 2019 Dartmouth College Goodman Fund Travel Grant
- 2018 Dartmouth College Burke Award
- 2017 Dartmouth College Dickey Center Travel Award
Dartmouth College Goodman Fund Travel Grant
- 2015 UCD College of Liberal Arts and Sciences Dissemination Grant
UCD Young Upwardly Mobile Professional Faculty Development Grant
- 2014 UCD College of Liberal Arts and Sciences Dissemination Grant
UCD Young Upwardly Mobile Professional Faculty Development Grant
- 2012 - 2013 Northwestern University Presidential Fellowship
- 2012 Northwestern University Graduate Research Grant
- 2011 Northwestern University Summer Language Grant
LeCron Foster Fund and Friends of Anthropology Grant
- 2009 Buffett Center Travel Grant
- 2008 - 2009 Northwestern University Darwin Fellow

Published Abstracts & Conference Papers

- 2020 Z. Thayer, C. Walker, K. Ly, S. Berry, and S. Morton. *What is the best way to measure biological impacts of early adversity? Assessing the biological impacts of early life threat versus deprivation* Human Biology Association, Los Angeles, California (paper presentation; cancelled due to COVID-19)
- 2019 C. Walker, Z. Thayer, A. Pillai, E. Marks, K. Waldie, S. Berry, and S. Morton. *Association between maternal depression symptoms and child telomere length: Evidence from Growing Up in New Zealand* Developmental Origins of Health and Disease. Melbourne, Australia
C. Walker, Z. Thayer, A. Pillai, E. Marks, K. Waldie, S. Berry, and S. Morton. *Association between maternal depression symptoms and child telomere length: Evidence from Growing Up in New Zealand* American Society for Human Genomics. Houston, Texas

Published Abstracts & Conference Papers (continued)

- Z. Thayer, C. Walker, K. Ly, E. Marks, and S. Morton. *Developmental Origins of Health Disparities: Early life adversity and DNA methylation in Childhood*. American Association of Physical Anthropologist Meetings. Cleveland, Ohio (poster presentation - invited session)
- Farewell, C., and Z. Thayer. *Critical Periods of Maternal Stress Exposure and Early Childhood Obesity: Exploring Risk and Protective Factors in New Zealand*. Human Biology Association Meetings. Cleveland, Ohio (poster presentation)
- 2018 Z. Thayer. *The Human Life Course: How Stress Influences Health through Intergenerational Pathways* Society for the Advancement of Chicanos and Native Americans in Science Meetings. San Antonio, Texas (paper presentation)
- Z. Thayer. *Life course and intergenerational pathways for historical trauma to shape health disparities*. Human Biology Association Meetings. Austin, Texas (paper presentation - plenary session)
- 2017 Farewell, C., and Z. Thayer. *Maternal Stress and Early Childhood Obesity: Exploring Critical periods of Development in a New Zealand Context*. American Public Health Association Meetings. Atlanta, Georgia (paper presentation)
- Z. Thayer, U. Running Bear, D. Buchwald, and S. Manson. *Life course trauma and racial discrimination experience in relation to heart rate variability among a sample of American Indians from the Northern Plains*. Human Biology Association Meetings. New Orleans, Louisiana (paper presentation)
- Wilson, M., and Z. Thayer. *The Effects of acculturation on stress in young Middle Eastern American students*. Human Biology Association Meetings. New Orleans, Louisiana (poster presentation)
- 2016 Z. Thayer and M. Wilson. *Cortisone to cortisol ratio as an alternative measure of HPA-axis function in pregnancy*. Human Biology Association meetings. Atlanta, Georgia (poster presentation)
- 2015 Z. Thayer and M. Wilson. *The good, the bad, and the maladapted: Fetal sensitivity in the context of evolutionarily novel environments*. American Anthropological Association meetings. Denver, Colorado (paper presentation)
- Z. Thayer. *Effects of poor neighborhood quality on maternal and offspring cortisol and methylation*. Society for the Study of Human Biology Meetings. Lisbon, Portugal (paper presentation)
- Z. Thayer and C. Kuzawa. *Developmental and epigenetic responses to the environment: the embodiment of racial disparities in health in New Zealand*. Invited session at American Association of Physical Anthropology Meetings. St. Louis, Missouri (paper presentation)
- Z. Thayer, C Barbosa-Leiker, M McDonell, L. Nelson, D. Buchwald, and S. Manson. *Early life stress, PTSD and allostatic load in a sample of American Indian adults*. Human Biology Association, St. Louis, Missouri (poster presentation)
- L. Weiner, and Z. Thayer. *Maternal depression and PTSD in the perinatal period in relation to offspring methylation*. International Evolutionary Medicine and Public Health Meetings. Phoenix, Arizona (poster presentation)
- 2014 Z. Thayer, C Barbosa-Leiker, M McDonell and L. Nelson. *Early life stress and adult health among a sample of American Indians*. 2014 International Symposium on Minority Health & Health Disparities. Washington DC (paper presentation)
- Z. Thayer, and CW Kuzawa. *Maternal perinatal PTSD symptoms predict reduced infant cortisol reactivity: Implications for PTSD risk in offspring*. Human Biology Association meetings, Calgary, Canada (poster presentation)

Published Abstracts & Conference Papers (continued)

- R. Fried, J. Lee, **Z. Thayer**, J. Borja, and CW. Kuzawa. *Preterm delivery as a predictor of diurnal cortisol profiles in adulthood: evidence from metropolitan Cebu City, Philippines*. American Association of Physical Anthropologists meetings, Calgary, Canada (poster presentation)
- 2013 **Z. Thayer**. *Pacific Islander and Maori women have bunted diurnal cortisol decline in pregnancy and give birth to infants with reduced cortisol reactivity: Implications for health disparities research in New Zealand*. Otago International Health Research Network Conference, Dunedin, New Zealand (paper presentation)
- Z. Thayer** and CW. Kuzawa. *Fetal Sensitivity to Maternal Environmental Experience*. American Anthropology Association Meetings, Chicago, Illinois (paper presentation)
- CW Kuzawa, **Z. Thayer** and R. Fried. *Biological Memories of Past Deprivation: Lifecourse and Intergenerational Transmission of Embodied Health Inequality*. American Anthropology Association Meetings, Chicago, Illinois (paper presentation)
- Z. Thayer** and CW Kuzawa. *Moving Beyond Genetic Race: Developmental contributions to human variation in New Zealand*. American Association of Physical Anthropologists Meetings, Knoxville, Tennessee. (poster presentation)
- Z. Thayer** and CW Kuzawa. *Intergenerational effects of maternal experience: Influence of SES on maternal and offspring stress physiology in New Zealand*. Human Biology Association Meetings, Knoxville, Tennessee. (paper presentation)
- 2012 CW Kuzawa, LT Gettler, **Z Thayer**, TW McDade. *The Testosterone Awakening Drop: Rapid post-waking decline in testosterone in males and females*. Human Biology Association Meetings, Portland, Oregon. (poster presentation)
- 2011 **Z. Thayer**. *Vitamin D hypothesis revisited: Do differences in UV exposure contribute to disparities in birth outcomes within the United States?* GLASS AGE Professional Development Conference in Chicago, Illinois. (paper presentation)
- Z. Thayer** and C. Kuzawa. *Diurnal cortisol profiles in pregnancy: Does the pattern of cortisol secretion vary across populations or by birth weight?* Human Biology Association Meetings, Minneapolis, Minnesota. (paper presentation)
- 2010 K. Rankin, T. Lyons, **Z. Thayer**, J.W. Collins, Jr. *Like Mother, Like Daughter: The Intergenerational Cycle of Teen Motherhood in the Context of Race and Lifelong Neighborhood Economic Environment*. Maternal and Child Health Epidemiology Conference, San Antonio, Texas. (paper presentation)
- Z. Thayer** and C. Kuzawa. *Diurnal cortisol rhythms and birth weight in the Cebu Study*. Human Biology Association Meetings, Albuquerque, New Mexico. (poster presentation)
- 2009 **Z. Thayer** and C. Kuzawa. *Diurnal cortisol rhythms and birth weight in the Cebu Study*. Developmental Origins of Health and Disease Conference, Santiago, Chile. (poster presentation)
- 2008 **Z. Thayer** and S. Dobson. *On the adaptive value of the chin from the perspective of sexual dimorphism*. Northeast Anthropology Association Meetings, Amherst, Massachusetts. (paper presentation)

Invited presentations (including currently scheduled)

- 2020 **University of Pittsburgh**, Department of Anthropology
New York University, Department of Anthropology
University of California Los Angeles, Department of Anthropology
San Francisco State University, Department of Anthropology
Bucknell University, Department of Biology

Invited presentations (including currently scheduled) (continued)

- University of Auckland**, Centre for Longitudinal Research Seminar (cancelled due to COVID-19)
- 2019 **Dartmouth Geisel Medical School**, Physicians for Human Rights Conference
- Senckenberg Research Institute and Natural History Museum Frankfurt, Germany**, Evolutionary Medicine: the Biocultural Perspective Workshop
- Dickinson College**, Clarke Forum for Contemporary Issues Invited Speaker Series
- Leiden University, the Netherlands**, Lorentz Center "Better Safe than Stressed" Workshop
- George Washington University**, International Research Unit (Epi)Genetics, Data, Politics
- 2018 **University of Michigan**, Department of Anthropology
- University of Auckland**, Centre for Longitudinal Research
- University of Tennessee Knoxville**, Anthropology Visiting lecture series
- Arizona State University**, Traumatic Stress and Moral Injury Workshop
- Dartmouth Geisel Medical School**, Department of Epidemiology
- Norwich Inn**, Vermont Center for Ecostudies, Public lecture
- University at Albany**, Department of Anthropology (cancelled - maternity leave)
- University of California Santa Barbara**, Department of Anthropology (cancelled - maternity leave)
- 2017 **CUNY Graduate Center**, New York Consortium for Evolutionary Primatologists
- Duke University**, Department of Evolutionary Anthropology
- University of Waikato, New Zealand**, Department of Anthropology
- American Museum of Natural History**, Leakey Foundation Lecture
- Butler University**, TedX Indianapolis
- 2016 **University of Illinois Urbana Champaign**, Biohumanities Interchange
- Dartmouth College**, Department of Anthropology
- University of Oregon**, Clark Honors College
- Arizona State University**, School of Human Evolution and Social Change
- Arizona State University**, Center for Evolutionary Medicine
- University of Pennsylvania**, Department of Anthropology
- University of Colorado**, Indigenous Knowledge Series
- University of Colorado Denver**, Department of Psychology
- 2015 **University of Oregon**, Department of Anthropology
- Yale University**, BioAnthropology
- University of Colorado Denver**, Department of Health and Behavioral Sciences
- University of Colorado Boulder**, Department of Anthropology
- University of Denver**, Department of Psychology
- University of Colorado School of Medicine**, Developmental Psychobiology Research Group
- Denver Museum of Nature and Science**, Public lecture
- 2014 **Nerd Nite Denver**, Public lecture
- University of Colorado Denver**, Department of Integrative Biology
- University of Colorado Denver**, Indigenous day speaker

Invited presentations (including currently scheduled) (continued)

- 2013 **University of Kansas Medical Center**, Invited speaker
Ohomairangi Trust, Public lecture
University of Auckland, Department of Anthropology
Whariki Health Research Group, Invited lecture
Maternal Mental Health & Child and Adolescent Mental Health Services, Counties Manukau Health Board, Public lecture
Whakatapu Ora - Infant Mental Health Service, Counties Manukau District Health Board, Public lecture
Tomaiora Te Kete Hauora Maori, Invited lecture
Liggins Institute, Lecture series
Maternal Mental Health Services, Auckland District Health Board, Public lecture
Auckland District Health Board, Public lecture
- 2011 **Liggins Institute**, Lecture series
- 2010 **Liggins Institute**, Lecture series
Faculty of Medical and Health Sciences, Auckland, Tōmaiora Seminar Series
Massey University, Department of Anthropology

Teaching & Advising

Grants and Awards

- 2019 **Dartmouth College** Center for Service Social Impact Practicum
Dartmouth College Rockefeller Center Classroom Enhancement Grant
- 2018 **Dartmouth College** Top Professors, Class of 2018, Aegis (Dartmouth Yearbook)
Dartmouth College Center for Service Social Impact Practicum
- 2017 **Dartmouth College** Dean of Faculty Mentoring Award

Courses taught

- Dartmouth College
Introduction to Biological Anthropology
Human Biological Variation
Health & Disease in Evolutionary Perspective
Evolution of Pregnancy, Birth & Babies
- University of Colorado Denver
Introduction to Biological Anthropology
Evolutionary Medicine
Modern Human Biological Variation
- Northwestern University
Human Origins

Teaching & Advising (continued)

Additional Curriculum Development Summer Enrichment at Dartmouth - Evolutionary Medicine
ACF Tribal Grantee Meeting workshop on Adverse Childhood Experiences and Health
Curriculum Developer for Natural Sciences Department
Boundless Learning
Instructor, TalentSparks Science Teachers workshop

Student Advising

Undergraduate Mentoring Current:
Presidential Scholar: Erika Hernandez
Sophomore Research Scholar: Katherine Fearon; Aditi Gupta
Research Assistant: Rebecca Milner; Amanda Lu; Grace Alston; Emily Lu; Elijah Abass; Margaret Sherin
Past:
Senior thesis: Nathanael Gallagher
Presidential Scholar: Sophie Montgomery; Odaliz Hernandez Medrano
Sophomore Research Scholar: Erika Hernandez
Junior Research Scholar: Cecily Craighead; Shelby Snyder; Lillian Clark; Elizabeth Clark
Independent Study: Andie Conching; Adam Couitt; Kaija Stern; Alex Hawley; Sophie Montgomery
Melon Mays: Alex Hawley
Women in Science Project: Veronioca Shea; Laura Francisco
Research Assistant: Adam Couitt

Graduate Mentoring Current:
PhD thesis chair: Chlöe Sweetman
PhD thesis committee: Catherine Miller; Rob Tennyson (University of Washington); Rachel Wilbur (University of North Carolina)
Past:
PhD thesis chair: Charlotte Farewell (now Senior Research Instructor Colorado School of Public Health)
Masters thesis chair: Meredith Wilson (now PhD student at University of Illinois)
Masters thesis committee member: Krista Fuentes; Elicia Abella; Tracey Lancaster; Antonia Vita; Caitlin Anderson; Kathryn Scheyer
MALS thesis committee Quinn Brueggemann

Academic Service

Professional level

2019 - Date **Human Biology Association**, Program Committee
2016 - Date **American Association for the Advancement of Science**, Board Appointed Committee on Opportunities in Science

Academic Service (continued)

- 2016 - 2017 **American Association of Physical Anthropologists**, Judge for Pollitzer Prize and Student Presentations
Human Biology Association, Program Committee
- 2015 - 2018 **American Association of Physical Anthropologists**, Committee on Diversity Appointed Increasing Diversity in Anthropological Sciences (IDEAS) faculty member
- 2014 - 2015 **American Association of Physical Anthropologists**, Mid-career women's mentoring workshop steering committee
American Anthropological Association, Local program committee

University level

- 2019 - Date **Graduate Women Association, Dartmouth College**, Faculty advisor
- 2018 - Date **Department of Anthropology, Dartmouth College**, Goodman Fund committee
- 2016 - 2018 **Department of Anthropology, Dartmouth College**, Colloquium committee
- 2015 - 2016 **President, University of Colorado Professional Chapter**, Society for the Advancement of Chicanos and Native Americans in Science

Invited Reviewer

Publications; 27 journals, 2 edited-volumes: American Anthropologist; American Indian & Alaska Native Mental Health Research; American Journal of Human Biology; American Journal of Perinatology; American Journal of Physical Anthropology; American Journal of Public Health; Annals of Anthropological Practice; Annals of Behavioral Medicine; Annals of Epidemiology; Annals of Human Biology; British Journal of Nutrition; Building Babies: Primate Developmental Trajectories in Proximate and Ultimate Perspectives (edited volume); Child Development; Developmental Psychobiology; eLife; Evolutionary Anthropology; Evolution, Medicine & Public Health; Hormones & Behavior; Journal of Clinical Medicine; Journal of Psychiatric Research; Journal of Psychosomatic Research; PLOS ONE; Proceedings of the National Academy of Sciences (PNAS); Psychoneuroendocrinology; Science; Scientific Reports; Social Science & Medicine; SSM - Population Health; Transgenerational Epigenetics (edited volume)

Grant Review: National Science Foundation (panel and ad hoc); National Institutes of Health (panel); Leakey Foundation (ad hoc)

Professional Organizations

- 2016 - Date American Association for the Advancement of Science
- 2013 - Date American Anthropological Association
- 2011 - Date Society for the Advancement of Chicanos and Native Americans in Science
